Our Purpose

The Association of Desk and Derrick Clubs (ADDC), an international non-profit organization, is a premier provider of energy education and professional development. ADDC's purpose shall be to promote the education and professional development of individuals employed in or affiliated with the petroleum, energy and allied industries, and to educate the general public about these industries as well as the companies and global communities the members serve.

Our Mission

Our mission is to enhance and foster a positive image to the global community by promoting the contribution of the petroleum, energy, and allied industries through education by using all resources available.

Club Motto

"Greater Knowledge, Greater Service"

The Lone Star Desk and Derrick Club of Dallas President's August Letter

On July 27th Lone Star members gathered together at the office of EC Energy where our member Tammy Murchison works. There were fourteen of us. We do not have a July Membership Meeting but instead hold a July Social. Janet Beavers, our Second Vice President did an outstanding job of planning and executing a Bingo Party. She had ten prizes which we played for after we all enjoyed a Mexican dinner catered by El Fenix.

Lone Star has enjoyed Bunco, Bowling and Baseball for previous July socials. I was trying to think of what starts with a "B" we could do next year and thought of Bronc riding, Dimple said she thinks she will have to sit that one out!

At our next Membership Meeting we will be electing our Nominating Committee. I am very proud of the members who have stepped out of their comfort zone this year to take on the responsibilities that are necessary to run Lone Star!

It's full speed ahead regarding our Fifth Annual Lone Star Shoot Out. Everyone is working hard to recruit teams to shoot with us, sponsors, donations and door prizes. The shoot will be held on September 28th and will be here before we know it. Lone Star is very proud of the fact that we have given \$18,500 in scholarships in the four years we have been organized. So far each year we have given progressively more scholarships and hope to increase it again this year. These scholarships go to area students who will one day work in our industry.

We want to congratulate Connie Bass on becoming the Director Elect for 2019 for the new Central Region.

Don't forget to mark your calendars for September 18-22, 2018 for our annual ADDC Convention in Evansville, IL. There will be many informative field trips and seminars. It is an important meeting as that is when we elect the slate of officers for the ADDC Board for 2019.

Our speaker for August 16th Membership Meeting will be David Paddock of Schlumberger WesternGeco.

Be sure to put Saturday December 1st on your calendar for our Installation and Christmas Party at the Warwick Melrose Hotel. We all know how quickly those December weekends fill up.

Please continue to invite visitors to our monthly Membership Meetings. If you need information concerning Lone Star or ADDC you can find it at: www.lonestardandd.org and www.ADDC.org.

I hope all of you STARS are staying cool in this inclement weather!

“Intellectual growth should commence at birth and cease only at death.” Albert Einstein (1879-1955)

Pat

MEETING INFORMATION

Time & Place

Our meetings are typically held on the third Thursday of each month at 6:30 PM at

Brookhaven Country Club
 3333 Golfing Green Dr.
 Farmers Branch, TX 75234

Cost & RSVPs

The cost of dinner is \$30, cash or check made payable to *Lone Star Desk and Derrick Club of Dallas* / *RSVPs and cancellations must be made by the third Tuesday at 10:00 AM* / *Members and guests are responsible for payment if cancellation procedure is not followed.*

Social Hour

Prior to the meeting, the club will host a *Social Hour from 6:00-6:30 PM in the lobby adjacent to the meeting room. Drinks can be purchased at the bar.*

UPCOMING MEETINGS AND EVENTS

The ongoing problem of uneconomic wells in unconventional plays: a look at the Wolfcamp play in the Permian Basin from a geophysical perspective

³Consultant

Abstract

Twenty-two Delaware Basin Wolfcamp “A” lateral wells within the area of Reeves County with the highest lease cost were examined for profitability. Their seismic attributes were examined for associated causality. A B30 (best 30 days of production) cutoff of 15,000 barrels was determined and used as a breakeven metric. Only ten of the 22 wells passed that hurdle.

Poor wells were found to be afflicted by one or more of the following: landing 200 feet or more too low, fracking into poor reservoir, and/or producing excessive water associated with faulting either above or below the Wolfcamp “A” target stratigraphic level. Use of the seismic data would mitigate the risk of landing too low to hydraulically fracture up into the reservoir. Seismic data could also be used to predict the adequacy of reservoir quality. Finally, surface seismic data could be used to detect the risk of faults that can bring water from either above or below the lateral. The use of seismic data was found to be a crucial tool for ensuring economic success in the Wolfcamp play.

Bio

David Paddock is a scientific advisor in WesternGeco's North American Onshore Multiclient Exploration team. He has consulted on dozens of unconventional development projects throughout North America as well as in South America, Europe, the Middle East, and North Africa. A baby boomer, Dave has only had two employers, ARCo for 18 years and now Schlumberger for 17 years in their Consulting and Geophysical product lines. Dave has won Best Speaker Award at AAPG's Southwest Section meeting, has had talks selected for SEG's Best of AAPG session, and has two silver medals and two bronze medals from Schlumberger's Performed by Schlumberger program (an internal project success recognition program). He holds an MBA from the University of Louisiana at Lafayette and both a masters degree in geology and a bachelor of science degree in Mathematics from Michigan State University. He is recognized by industry as the leading expert in Ant Tracking, a detailed seismic fault identification application widely utilized, particularly in the development of unconventional resources.

The Schlumberger logo is displayed in a large, bold, blue sans-serif font. The letters are thick and closely spaced, with a slight shadow effect behind the text, giving it a three-dimensional appearance. The logo is centered horizontally and vertically within a light gray rectangular background.

BINGO

BINGO! That is a word we heard ten times on July 27th. Since Lone Star does not have a Membership Meeting in July we replace it with our July Social. Our regular Membership Meetings are structured so the July Social is a great time for our members to visit and become better acquainted. Our Second Vice President Janet Beavers did an outstanding job of planning and executing this event! Thanks Janet!

El Fenix catered the meal with great Mexican food and it was BYOB so everyone greatly enjoyed getting to know each other better. Then we played BINGO. Ten games were played for prizes and some were luckier than others but still fun for all.

The party was held at EC Energy in Uptown Dallas in their wonderful offices. Our member Tammy Murchison is employed there and we want to thank Tammy and EC Energy for hosting this event. There were 13 members and one guest attending.

I can't wait until our July Social in 2019!!

Submitted by Pat Blanford

Jennifer deHay
Denbury Resources
Energy Manager

Title: “ Make a Different Mistake”

Bio: Jen serves as Energy Manager at Denbury. She has 13 years of upstream operations experience between her years at Chevron and Denbury. Roles she has served include facilities, production, strategy, reservoir and management. Jen received her BS degree in Civil Engineering from Louisiana State University and MBA with a concentration in Finance from Southern Methodist University.

FRIDAY, SEPTEMBER 28, 2018 | 9:00 AM - 1:30 PM
ELM FORK SHOOTING SPORTS | 10751 LUNA ROAD | DALLAS, TX 75220

ABOUT THE EVENT

- ❖ Open to **ALL**
- ❖ First-come, first-serve basis
- ❖ **Lunch will be provided by HUNTING INT'L**
- ❖ \$750 per four-man team (includes cart and event shirt) or \$200 per individual (team TBD)
- ❖ Shooters provide ammo, eye and ear protection
- ❖ Proceeds benefit college scholarships in energy related fields of study

SCHEDULE OF EVENTS

- ❖ *Registration:* 8:00 am – 8:45 am
- ❖ *Shoot:* 9:00 - 12:00 pm
- ❖ *Lunch & Shotgun Golf:* 12:00 pm - 1:00 pm
- ❖ *Ceremony:* 1:00 - 1:30 pm

Awards, gun raffles, and door prizes.

SPONSORSHIP OPPORTUNITIES

- ❖ \$5,000 – Title Sponsor (3 teams)
- ❖ \$2,500 – Shirt Sponsor (1 team)
(**EC Energy** + *1 more sponsorship available)
- ❖ \$2,500 – Cart Sponsor (1 team)
- ❖ \$2,500 – Cap Sponsor (**Headington Energy**)
- ❖ \$1,500 – Beverage Sponsor
- ❖ \$300 – Station Sponsor
- ❖ \$200 – Door Prize Sponsor
- ❖ \$\$ - Gun Sponsor

Where has the time gone? We are half way through the year, so maybe next time I won't blink. We have been busy again with a lot of projects on the go.

Please have a look at the advertising package that has gone out, what a great way to reach so many people and companies. Thank you, Tracy and Carrie for putting this together from the business strategy plan.

Alicia Young! You have taught us so much about Social Media. Thank you for the hours you have put into this, along with Casi, Wendy and Wayne. Please find us on Face book, Twitter and LinkedIn. This also a part of the business strategy that we implemented.

Val Williams! Thank you for doing the update on our D&D Standard Oil & Gas Abbreviator, 7th Edition. Also, from the business strategy.

We might have a grant writer that has come forward, but we can use another person to help out. We have 3 grants we want to apply for.

A Bit of fun Activity books, the 3rd addition are available, please make sure to help promote us through these great books.

As of today, we have 93 people registered for convention. I am getting so excited. We have been working hard on conventions details as well. Thank you, Region II,! Follow #ADDCCon18 for all the latest updates on Twitter. Thank you to members for helping and stepping up with convention and giving speeches, introductions or invocations. I appreciateit so much!

LoriLandry has sent out her report for 2019 Slate of Candidates, please take time and come prepared to convention. First time in a long time we have duel candidates.

Call to convention has gone out as well, other details in the Regional Director reports. Please ensure, Presidents that the CRED2 forms are sent in. September 4th, 2018 is the deadline.

There has been changes to the lay out of the ADDC website. Wayne and I worked hard to get this hopefully easier to read. Thank you, Wayne.

Treasure report, 2nd quarter is being worked on and will be coming out to membership shortly. We are currently at 1229 members this year. Let's keep going!

With the new alignment coming in 2019, here are the new Regional Directors:Donna Siburt, 2019 Northeast Region Director. Connie Bass, 2019 Central Region Director. Philana Thompson, 2019 Western Region Director. Evelyn McCurley-Ingram, 2019 Southeast Region Director. Congratulations to all of you!

Until next month,

Christina Forth

Here we are again, summer almost over and school about to start the end of this month for most. I don't know about everyone in Texas, but I am ready for some "cooler" weather. This 100-degree temperatures are for the birds, but I do hope all of you have had a wonderful summer, spending time with family and friends and enjoying some vacation time, relaxation and well-deserved rest.

With Convention being right around the corner, here are a few reminders for delegates, presidents and membership;

- *The Proposed ADDC Bylaw Amendments have been posted on the website and will be voted on at the Convention. Please review these with your membership and come prepared to discuss and vote. As always, please send your Delegates informed or instructed to convention with your selection (s).*
- *A slate of candidates has been presented and the nominee qualifications have been posted to the website. Please review with your membership and come prepared to vote for your 2019 ADDC officers. Just a reminder, nominations are still open, and you can still nominate from the floor.*

The Candidates for the 2019 ADDC Officers are the following:

- *President-Elect – Keith Atkins, El Dorado Club; Region III*
- *President-Elect – Jill Coble, North Harris/Montgomery Counties Club;*
Region IV
- *Secretary – Kim Oelze, Heartland Desk and Derrick Club of Southern Illinois;*
Region II
- *Secretary – Wendy Sparks, Oklahoma City Club; Region VI*
- *Treasurer – Evelyn Green, San Antonio Club; Region IV*
- *Treasurer – Barbara Pappas, Wichita Falls Club; Region V*

- *The Rules of Convention, Convention Procedures and Parliamentary Hints are available on the website, as well, and should be reviewed and brought with you to Convention.*
- *Delegate/Alternate Credentials (Cred 1) form is due this year, by September 4th. If you have not already done so, please get them emailed to the Registrar Chairperson, Sheryl Minear or Region IV Rep Kathy Johnson, as soon as you can.*

For those that have not yet registered, early registration has been extended to August 15th (postmarked) and registration deadline is September 1st (postmarked), so it is still not too late to register. Registration fee is \$250.00 if

Page 2

postmarked by August 15th and late registration fee is \$275.00 if postmarked after August 15th. Convention dates are September 17-21, 101; Evansville, Indiana, can't wait!!!

President-Elect Terry Ligon is diligently trying to fill her committees for 2019. Wouldn't it be great to have these all filled before 2019? The more you do within the ADDC, the more you learn about the inner workings of the Association. Your knowledge will grow and so will your passion for ADDC. Sign-up to either be a Chairperson or Region Rep, you will not regret it. The form is available on the ADDC website.

It's never too early to start thinking about Contest! Deadline is December 15th, so don't wait to start getting everything together. Keep in mind an exciting article or great picture that you would like to see become an A.I.M.M.E. winner. Let's have complete participation this year for all the clubs!

The ADDC Foundation is looking for a few good members to serve as an ADDC Foundation Trustee. You may contact Theresa Adams at theresabadams@bellsouth.net for information or go to the Foundation website: addcfoundation.org to fill out an application and forward to Theresa, no later than August 15, 2018.

Finally, I would like to highlight Donna Altomari, Houston Club President. Donna works for Cabot Oil and Gas and has been there 11 years. She is an Accounting Specialist and handles all the money that comes into the company!! She and her husband, Joe have been married since 1988 and she likes to spend her spare time reading, gardening and helping her Mother. Donna's goals this year are to re-energize the existing members, reaching out to former members to rejoin Desk and Derrick and by getting new members to join. She feels the membership should get involved, that will help to promote friendships, promote fellowship and bring educational opportunities to those like Desk and Derrick has brought into her life. Thank you, Donna, for your continued support of Desk and Derrick. We need more dedicated members like you!

The month of August is always exciting as we focus on Convention. Member registrations are trickling in. I am looking forward to processing many more registrations in August for this historic Convention.

Remember, I am here to help you grow your clubs and retain existing members. Please contact me via phone or email and I will be happy to assist in every way possible.

If you have an opportunity to have a presence at a chamber of commerce event, trade show, or the like, please let me know and I will make sure you have brochures to display and hand out to potential new members. Remember, ADDC membership is open to all individuals within the energy and allied industries as well as anyone interested in learning more about the energy industry. Working together, we will all be able to assure that the ADDC will continue to grow! The brochures are available to clubs at no cost. However, we are asking clubs to reimburse the Association for shipping costs.

We continue to receive sporadic orders for the **third edition** of the [Bit of Fun Energy Activity Book](#). It is a great educational tool for teaching the younger generation how oil and gas affects their lives.

Please encourage your club members to register to attend the ADDC Convention and Educational Conference in Evansville, Indiana. [Convention](#) information is available on the ADDC website or from me. In our second year is the benefit to safely and securely remit your convention payment [online](#), which requires a credit card. You may also remit payment via check. We hope to see a great turnout for our 67th annual Convention. The GAC team and your ADDC Board of Directors are working very hard to make this a Convention that attendees will not soon forget!

Until next month,

Wayne Ammons
 Business Manager

**2018 ADDC Certification Program
Completion and Production
Thursday, September 20, 2018 --- 8:00 AM-5:00 PM
Instructors: David Briggs and Bryan Dicus
Location: CountryMark Pavilion, Mt. Vernon, Indiana**

We are excited to confirm the 2018 ADDC Certification Class on Completion and Production taught by Mr. David L. Briggs and Mr. Bryan Dicus will take place at the CountryMark Pavilion located in Mt. Vernon, Indiana on Thursday, September 20, 2018. The Pavilion is an interactive educational exhibit and meeting facility which will enhance your learning experience. Transportation to and from the Pavilion will be provided courtesy of CountryMark Refining and Logistics, LLC. Lunch is included.

David L. Briggs is a Consulting Geologist for Countrymark Energy Resources, LLC in Evansville, Indiana. His duties consist of well site geology, oil property evaluation for new drilling, re-completion, and waterflood potential and design.

Married with two children, Mr. Briggs graduated from Lincoln Trail Junior College in Robinson, Illinois with an Associate Degree in Applied Science in Petroleum Technology in 1973 and Indiana University in Bloomington, Indiana in 1977 with a Bachelor Degree from the School of Arts & Science with a Geology Major. He is a registered Professional Geologist in Kentucky; a member of the Indiana-Kentucky Geological Society; member of the Kentucky Oil & Gas Association; member of the Indiana Oil & Gas Association; and a member of the Independent Oil Producers Association.

He is also the President and owner of JEN Energy Corp. in Newburgh, Indiana, a company that operates oil and gas properties and does geological consulting.

He is a past Executive Vice President and owner of Mobile Fluid Recovery, Inc. in Toledo, Ohio; Evansville, Indiana; and Brampton Canada. While there he developed patented technology for solvent rags and absorbent recycling. Recycling activities consisted of reclaiming polypropylene solvent wipers and polypropylene absorbents into raw material for vehicle parts; absorbent recycling where absorbents were reused many times before being discarded or recycled, and recovered liquids were reclaimed for reuse. Additionally, he co-developed with Federal Mogul Corporation the recycling of Asian fiberboard into acoustic components for vehicle parts.

Mr. Briggs also served as an Environmental Consulting Specialist for several companies in Evansville, Indiana and as a Consulting Geologist in the Illinois Basin.

He received the Daimler-Chrysler 2001 and 2005 International "Environmental Leadership Awards", the General Motors North American Operations 2004 Environmental "We Care Award" and the General Motors 2011 "Environmental Excellence Award".

Bryan Dicus is currently a self-employed operator and engineering consultant. Mr. Dicus is a Petroleum Engineer with over 30 years of progressive technical and management experience in the oil & gas industry covering a variety of aspects in drilling, completions and production of both conventional and unconventional reservoirs.

Prior experience includes serving as Senior Vice President of Exploration and Production for Core Minerals. Mr. Dicus worked for Noble Energy, Inc. and predecessors Patina Oil & Gas, Elysium Energy LLC and Equinox Oil Company for a combined 17 years. Beginning as a Production Engineer and later serving as Completions Engineer, Lead Engineer and Operations Manager. Mr. Dicus finished his service with Noble Energy as Project Engineer Advisor in their International Engineering Services group. Mr. Dicus began his professional career with Mobil Oil Corporation spending 7 years involved in many Mid-Continent oil & gas properties where he specialized in hydraulic fracturing, waterflood optimization, profile modification and completion technology.

Mr. Dicus obtained a Bachelor of Science degree in Petroleum Engineering from the University of Missouri-Rolla. He is a member of the Society of Petroleum Engineers. He currently serves on the Executive Board for the Illinois Oil & Gas Association and previously spent 7 years on the Illinois Petroleum Resource Board.

PNR Exits West Panhandle Field for \$201 Million

Pioneer Natural Resources Co., Dallas, has agreed to **sell its West Panhandle field assets in Texas for \$201 million to an undisclosed buyer**. The sale of Pioneer’s West Panhandle assets is expected to result in a pretax gain of \$155 million to \$170 million, which will be recorded during the third-quarter 2018.

The assets include all of PNR’s producing wells and the associated systems. Net production from the field averaged 6,000 boe/d during this year’s first quarter.

The sale is part of the company’s plan to divest properties and operate solely in the Permian Basin.

In addition, **Pioneer’s West Panhandle asset includes upside potential from more than 300 gross new drill locations in the Brown Dolomite and Red Cave formations**, according to BMO Capital Markets, which was retained by the company to market the assets as its financial adviser.

In June, the company agreed to sell its Raton assets in southeastern Colorado to Evergreen Natural Resources LLC for \$79 million. In March, an agreement was signed to sell certain Eagle Ford acreage to Sundance Energy Inc. for \$102 million.

Green Goddess Tuna Salad Sandwich

- ¼ cup basil leaves
- ¼ cup parsley leaves with tender stems
- ¼ cup tarragon leaves
- ¼ cup mayonnaise
- ¼ cup sour cream
- 1 tsp. finely grated lemon zest
- 2 Tbsp. plus 1 tsp. fresh lemon juice
- 2 Tbsp. extra-virgin olive oil, plus more for drizzling
- 1 5-oz. can tuna in water, drained
- 1 celery stalk, finely chopped
- 1 small shallot, finely chopped
- 1 garlic clove, finely grated
- Kosher salt, freshly ground pepper
- ½ cup coarsely chopped mixed tender herbs (such as celery leaves, basil, parsley, and/or dill)
- 2 English muffins, split, lightly toasted

bon appétit

Recipe Preparation

Purée basil, parsley, tarragon, mayonnaise, sour cream, lemon zest, 2 Tbsp. lemon juice, and 2 Tbsp. oil in a blender until very smooth and pale green. Transfer dressing to a medium bowl and add tuna. Using a fork, break up tuna and incorporate into dressing. Mix in celery, shallot, and garlic; season with salt and lots of pepper.

Toss chopped mixed herbs with remaining 1 tsp. lemon juice in a small bowl. Drizzle with a little oil, season with salt and pepper, and toss again.

Build sandwiches with English muffins, tuna salad (you may have a bit extra), and herb salad.
