

The Lone Star Pipeline

The Lone Star Desk and Derrick Club of Dallas President's August Letter

"Greater Knowledge, Greater Service." This is the Motto of the Association of Desk and Derrick Clubs. As education is vitally important Lone Star strives to round out our member's education by having speakers of different aspects of our ever changing industry. This month we will host Kunal Patel of the Federal Reserve Bank of Dallas – Oil and Gas Division. September 13th we will have a field trip to tour the Federal Reserve Bank of Dallas. Our September speaker will be Nancy McCaskell of Pitts Energy and her title is "Land Negotiations".

On September 25th-28th the National ADDC Convention will be held in Kansas City, MO. There are many great field trips, seminars and business meetings held. It is also a time of fun and fellowship with members from all over the USA and Canada.

In July we do not have a Membership Meeting but have our July Social. This July, Janet Beavers, our First Vice President planned an exciting event "Escape the Room". Our room was The Agency: scoot over James Bond! It was held on July 28th on Sunday afternoon and proved to be very challenging but there are some very good sleuths in Lone Star and they were working on the last clue before the time of 60 minutes was up. This was excellent as the guide said less than 20% ever escape the room in the time allotted. Afterward we walked down to Mi Cocina Restaurant for snacks and drinks, it was awesome camaraderie! The event was attended by seven members and a visitor.

We are in the process of organizing our 6th Annual Lone Star Shoot Out together and the teams are signing up already and we do have a cap sponsor – Headington, shirt sponsor – EC Energy and a cart sponsor – Steward Energy. This is a time when we come together as teamwork is so important for this event to be a success. This event funds our scholarship program. In the five years since Lone Star began we have been fortunate enough to give \$22,500 to area students who will one day work in our industry.

I want to encourage all members to attend the meetings, participate in events and enjoy being a Lone Star Member as they are all STARS!

"The very spring root of honesty and virtue lie in good education." Plutarch (46-120) Greek philosopher

Until next month,

Pat

Our Purpose

The Association of Desk and Derrick Clubs (ADDC), an international non-profit organization, is a premier provider of energy education and professional development. ADDC's purpose shall be to promote the education and professional development of individuals employed in or affiliated with the petroleum, energy and allied industries, and to educate the general public about these industries as well as the companies and global communities the members serve.

Our Mission

Our mission is to enhance and foster a positive image to the global community by promoting the contribution of the petroleum, energy, and allied industries through education by using all resources available.

Club Motto

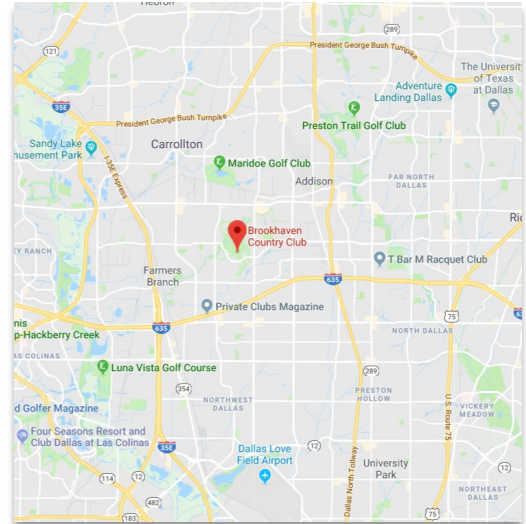

"Greater Knowledge, Greater Service"

Kunal N. Patel
Federal Reserve Bank of Dallas

Kunal Patel is an associate economist at the Federal Reserve Bank of Dallas.

As a member of the Research Department's energy group, Patel analyzes and investigates developments and topics in the oil and gas sector. He is also heavily involved with the production of the Dallas Fed Energy Survey and is an organizer of the annual Dallas Fed–Kansas City Fed energy conference.

Before joining the Dallas Fed in 2017, Patel worked in a variety of energy-related positions at Luminant, McKinsey and Co. and Bank of America Merrill Lynch.

Patel received a bachelor of business administration from the Business Honors Program at the University of Texas at Austin and an MBA in finance from the University of Texas at Dallas.

August 2019

The 68th Convention of the Association of Desk and Derrick Clubs is fast approaching. Have you sent in your registration? The deadline has been extended to August 15th. You don't want to miss out on all of the educational seminars and field trips that have been planned for you by the GAC. They have done a great job putting together fun and educational activities for us all.

We have several proposed amendments to the ADDC Bylaws and ADDC Standing Rules this year. I urge everyone to review these and discuss them with your clubs. You must remember that your club's delegate will be sent to convention as either informed or instructed. If your delegate is sent informed, that means he/she understands the views of the club, but can weigh any additional information they receive and vote based on that. If your delegate is sent instructed, that means the club has determined how they want the delegate to vote, and that delegate must vote that way regardless of any new information or discussion.

Linda Rodgers has sent out her report for the 2020 Slate of Candidates. Please take time and come prepared to Convention. Note that we do have dual candidates for one office and there is always the possibility of nominations from the floor.

Presidents, please ensure that the CRED2 forms are sent in. The deadline is September 4, 2019.

We are counting down to Convention! With less than 60 days to go, the anticipation and excitement is building. Remember, Convention is not only a time of business; but of learning, networking and revitalizing friendships. If you attend the field trips and seminars; if you listen to the speakers at the meetings; and, if you talk with your fellow members you will get the education and friendships of a lifetime.

I am so looking forward to seeing you all in Kansas City.

ASSOCIATION OF
DESK AND DERRICK
CLUBS

August 2019

Hello to all:

Have you started packing yet for convention? I always start packing 1-2 months early. Hoping everyone sends in registration to be ahead of the August 15th deadline. Our (2) presidents being highlighted this month are Jill Klein, Tulsa & Teri Swarengin, Red Earth.

Jill Klein is a Senior Geotech at Citizen Energy. She provides technical Support to the Geology Department. She is married to Bill and they have 2) children and 3) grandchildren. Her hobbies are essential oils, playing with her dogs and gardening. Like many others her goal is to increase the membership of the Tulsa club and transition to club with new ideas.

Teri Swarengin is a Senior Reservoir Engineering Tech at White Star Petroleum. She and her husband Jeremy have 2) children, Amelia and Cooper. Her hobbies are reading, raising cows and pigs, playing games with her family and doing puzzles. Her goal for the Red Earth club has been to build stronger relationships and to promote Desk and Derrick to more companies and employees.

Reminder: Convention in Kansas City, Missouri September 25th – 28th. Club officer elections are around the corner so encourage your members to step up and take action to increase membership.

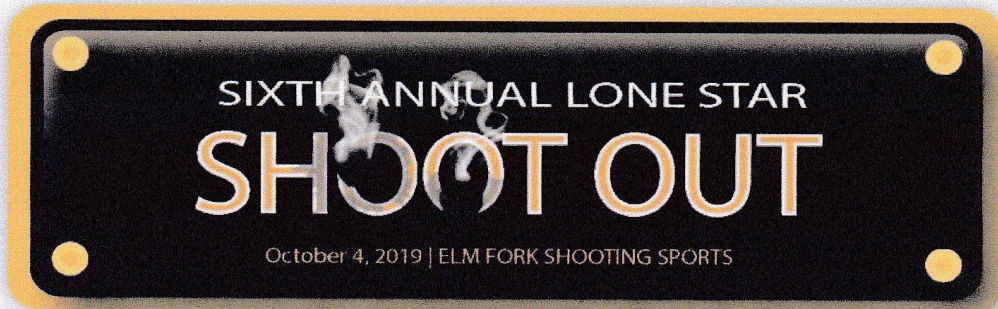

Looking forward to better days ahead in our industry.

And as always remember this--- "The Key to education is the Willingness to Learn"

Sincerely,

Connie Bass
2019 Central Region Director

FRIDAY, OCTOBER 4, 2019 | 9:00 AM - 1:30 PM
ELM FORK SHOOTING SPORTS | 10751 LUNA ROAD | DALLAS, TX 75220

Tax ID #35-2511125

Tortellini

- 1 lb. hot Italian sausage
- 20 oz. three-cheese tortellini
- 1 block cream cheese
- 2 cans diced tomatoes w/basil, garlic and oregano
- 32 oz. chicken broth
- Can add spinach or other veggies if you want
- Brown the sausage
- Cube the cream cheese
- Toss everything in the crock pot for four hours on low (or just make it in a pot on the stove)
- Stir at two hours and leave the lid off for the last 30 minutes.

Pat Blanford—sent this delicious and easy recipe for crock pot Tortellini.

Thank you Pat for sharing this with us.

We have four more newsletters for 2019 and I need the help of all the members Please - I need interesting news articles (industry related or other items of interest) personal profiles, cartoons, and recipes. With the help of all the members this publication can be

not only a means of communication for our membership but also a valuable recruiting tool if we put forth the effort to make it a reflection of our educational opportunities and activities.
